

NAMES

QUALITIES

1. Make a list of people that you admire under the Names column. Choose people who have qualities or attributes that you admire. These people can be someone you know, a historical figure, a fictional person, or a person alive or dead.
2. List up to three qualities that you admire beside each person.
3. Look at the qualities you have chosen and notice if there are any themes. Are some of the words repeated? Are there qualities you are particularly drawn to? Identify up to 6 qualities or themes and circle them on your sheet.
